

2026 SEMESTER ONE 7-10 REGIONAL EXAMS INFORMATION FOR PARENTS

Friday, 20 March 2026

Dear Parents,

Re: Semester One 7-10 Regional Exams

We are delighted to make available to you the Regionally aligned Year 7-10 Semester One Exam schedule for core subjects. All students at OneSchool Global AU will be completing the same Examinations with the same expectations at the same time.

Exams will commence on Monday, June 15 and conclude on Thursday, June 18th. The pupil free day on Friday allows teachers to finalise grading and Report Writing. Students who miss exams due to illness may be required to attend school on Friday, to make up any exams missed.

The attached exam schedule allows families to plan and support students in managing their studies and wellbeing. We encourage all students to review the schedule carefully together with their Homeroom teachers and focus on their skills for planning and preparation.

To help students prepare effectively, we recommend:

- Establishing a consistent study routine in the weeks leading up to exams
- Reviewing class notes, practice tasks, and teacher feedback
- Prioritising sleep, nutrition, and regular breaks
- Using their Study sessions to book Tutorials with their teachers.

Exams form one small component of the Assessment schedules in Semester One; throughout each Semester, students have several opportunities to showcase their skills and their academic growth. For some of our younger students, exams may be daunting; Homeroom teachers and subject teachers will work closely with them to alleviate any anxieties.

Teachers will continue to guide students through revision strategies during class time, and additional study resources including past examination papers will be issued to students later in Term Two.

We appreciate your partnership in supporting students during this period and look forward to seeing them approach their exams with confidence and a positive mindset.

If you have any questions, please contact your child's Homeroom teacher or your Campus Principal.

Best Wishes,

Mrs. Mary Baxter
Regional Director of Teaching & Learning-Secondary
OneSchool Global Australia
