

Dear Parents,

Parent/Teacher Interviews are an important opportunity for parents, students, and teachers to discuss progress and next steps in learning.

All bookings will be made through the **Parent Portal in Sentral**. Instructions are included in this letter.

We strongly encourage all parents to book an interview to support their child's learning progress. This is especially important for students in Years 3, 7, and 12, and interviews are expected for all students in Years 3–12. We would love to see you in person on Campus as these conversations are essential for building strong partnerships between home and school. If you are unable to attend in person there will be an option to join via Zoom.

All students are expected to attend their interviews alongside their parents. These meetings provide an important opportunity for students to reflect on their progress and engage in the conversation about their learning goals.
