

Fee Assessment Committee

SCHOOL FEE RELIEF FOR FAMILIES

Fee relief was established in June 2014 to provide financial assistance to families for school fees, as originally set on by Mr John S. Hales.

Whilst education expenses are the responsibility of the parents, it is understood that some families may be unable to meet the cost of a quality education for their Children.

Therefore, the Fee Assessment Committee provides assistance for School Fees taking into consideration factors including the number of children attending school, parent's income and geographical location.

The Fee Assessment Committee is a small independent committee that evaluates applications. This committee operates with strict privacy standards, and parents can apply with complete confidence, knowing that all details are being held securely.

The Application Process:

Many families have limited resources to meet the cost of quality education, and many wage earners qualify for fee relief.

Applying for Fee Relief is simple:

1. Families are welcome to apply for financial assistance by completing the Fee Relief Application form.
2. The Fee Assessment Committee will evaluate applications, assessing the eligibility for assistance.
3. Following the assessment process, a personalised communication is sent to the parents, outlining the decision, the amount of fee relief assistance, and the remaining net school fees they need to pay.
4. Fee Relief will be issued via a credit note from OneSchool to the parents.
