

## **Senior School Representative Sports Calendar - Term 3 2025**

This calendar outlines the nomination (Nom), trial and competition dates for the RHAC Senior School representative sporting pathways (HZSA > AICES > CIS > NSW All Schools > SSA). **As this is a representative pathway, students who nominate to trial for these teams should have extensive playing experience and in the case of AICES and CIS trials, students be playing in a representative team outside of school at an association or state level.** Some sports, such as cricket, require students to be involved in certain representative teams or academies in order for nominations to be accepted. If this is the case, further information will be emailed to students by the Head of Student Opportunities. Students trialing for OPEN or U18/19 teams must, at a minimum, be in Year 9 (Students in Year 9 MUST have extensive representative experience).

### **Nomination Guidelines**

1. Nomination links can be found at the bottom of this document. If there is no link, students will need to follow steps 2-3 (below) to nominate for the event.
2. Students MUST email all nominations (Noms) to the Head of Student Opportunities ([luke.adams@rhac.nsw.edu.au](mailto:luke.adams@rhac.nsw.edu.au)) **AT LEAST** 3 days before the nomination date. Late nominations will not be accepted. Students who are not nominated will be turned away from any trial they attend.
3. Nominations need to include the following information:

Name:

Event:

Parent Email:

Parent First and Last Name:

Parent Mobile:

Date of birth:

Year at School:

Playing positions (1<sup>st</sup> and 2<sup>nd</sup> preference):

Playing/representative experience:

Once the nomination has been completed and accepted, further information about the trial will be sent to students and their nominated parent email address. **Please note that nominating does not automatically mean that a student will be accepted to trial for a team/event.**

If you have any questions about representative sport or would like some more information about a team or trial, please see Mr. Adams at his office or email him. Additional information can also be found on each association's website.
