

## Senior School Representative Sports Calendar - Term 1 2026

This calendar outlines the nomination (Nom), trial and competition dates for the RHAC Senior School representative sporting pathways (HZSA > AICES > CIS > NSW All Schools > SSA). As this is a representative pathway, students who nominate to trial for these teams should have extensive playing experience and in the case of AICES and CIS trials, students be playing in a representative team outside of school at an association or state level. Some sports, such as cricket, require students to be involved in certain representative teams or academies in order for nominations to be accepted. If this is the case, further information will be emailed to students by the Head of Student Opportunities. Students trialing for OPEN or U18/19 teams must, at a minimum, be in Year 9 (Students in Year 9 MUST have extensive representative experience i.e. NSW representative).
