

Saint Ignatius' College RIVERVIEW

NOTICE FOR OUR PARENTS

14 JUNE 2025 RUGBY | WEEKEND UPDATE

Dear Parent/Guardian

The College looks forward to welcoming families to Saint Ignatius' College Riverview on Saturday, 14 June for the annual home rugby fixture against fellow-Catholic GPS school, St Joseph's College.

After several years at Leichhardt Oval, the senior matches will return to First Field, bringing this GPS fixture back to Riverview.

As there are limited facilities around First Field, we recommend dressing appropriately for the weather. Given the busy nature of the day, families are encouraged to allow ample time for travel to and from the College. On-site parking will be strictly limited, so we strongly encourage the use of alternative transport options for afternoon games—public transport, carpooling, ride-share services, or walking where possible. This will help to reduce congestion around our neighbourhood and at the College.

The Parents & Friends' Association (P&F) will manage the canteen and the Old Ignatians' Union (OIU) will run the BBQ. We are grateful for the generosity of our community.

Further details on volunteering, the livestream and fixture times are available via the links below. Please note the locations for spectators identified on the map.

The College is committed to providing a safe and welcoming environment for all students, families, Old Boys and visitors. Please note that First Field is an alcohol-free zone, and we thank you for supporting us as we create a family friendly environment with a focus on the schoolboy Rugby fixture.

We look forward to seeing many of you at the College for this special day.

Yours sincerely

MN Tannock
