

Co-Curricular Music at Riverview

To complement the College's Music classes as part of the academic curriculum, families are invited to explore the Co-Curricular music program. Students have the opportunity to learn an instrument, engage in private drama tuition or to participate in music ensembles.

CO-CURRICULAR MUSIC

Our Co-curricular Music Program is inclusive and available to every student. The program includes Music and Drama Private Tuition, Co-Curricular Music Ensembles, Musicals, Music Tours and Concerts. Being involved in Music offers students numerous opportunities to more fully participate in College life, creating a sense of community and belonging.

MUSIC AND DRAMA PRIVATE TUITION

The Music and Drama Private Tuition Program gives all students the opportunity to learn a musical instrument and drama. The College offers private lessons on a wide variety of musical instruments. All lessons are conducted by professionals in their field.

CO-CURRICULAR MUSIC ENSEMBLES

There are numerous Music Ensembles at the College catering for all musical levels and offering a diverse range of styles

and learning experiences. Being a member of a Riverview Ensemble gives a student the opportunity to be part of a music team which rehearses weekly, before or after school.

MUSIC INSTRUMENT HIRE

There are a number of instruments for hire through the College. Wherever possible, students are encouraged to have their own instrument.

MUSIC INSTRUMENT LOCKER HIRE (Senior School Only)

Individual Music Instrument Lockers are available for students of the Senior School at no charge.
