

# NSW School Vaccination Program

NSW Health will offer vaccinations to all **Year 10 students on Thursday 12<sup>th</sup> March 2026**

## Year 10 – Meningococcal ACWY

Also **Year 11 – Meningococcal ACWY (if not already vaccinated in Year 10)**

**Year 8 – HPV and dTpa (those who missed it in Year 7)**

To have your son vaccinated at school, you need to give your permission (consent).

### To do

1. To give consent online visit <https://engage.health.nsw.gov.au/engage> or scan the QR code below
2. If your son had their Year 7 vaccine(s) at school, you need to tick **“Provide another consent”** to give consent for the Year 10 vaccine. (Link below for detailed instructions.)
3. Read the school vaccination program information. Translations are available. Please refer to the NSW Health webpage [https://www.health.nsw.gov.au/immunisation/Pages/school\\_vaccination\\_language.aspx](https://www.health.nsw.gov.au/immunisation/Pages/school_vaccination_language.aspx)
- 4. When the online consent is completed, you receive an SMS and email acknowledgment.**
5. Talk to your son about getting vaccinated. [Information for students](#)
6. Follow this link for a 2 minute video of a young man who had Meningococcal disease; [Seb’s Story](#)

### You will need:

- Medicare card details for you and your son.
- Your Service NSW login details (this is the same account you might use to renew your driver’s licence)
- If you don’t have a Service NSW account, you can create one by visiting <https://www.service.nsw.gov.au/services/myservicensw-account/how-to-create-an-account>

### No Medicare?

You need to use a paper consent which you get from your child’s school. Return the completed form to school.

### More information

For detailed steps on how to provide consent, please watch the [How to Provide Consent Video](#) or refer to the NSW Health webpage <https://www.health.nsw.gov.au/immunisation/Pages/online-consent-school-vaccination.aspx>

If your son is absent from school and misses the clinic we can vaccinate them at school later in the year.

Year 7 students will be offered free vaccines for diphtheria/tetanus/pertussis (dTpa) and human papillomavirus (HPV) at school later in the year.

### On vaccination day

Children should eat a good breakfast. After getting the vaccine students can play sport, shower, and do after-school activities as normal.
