HOUSE SWIMMING / WATER POLO

Friday 31 January 2025

2025 Secondary School House Swimming & House Water Polo

Welcome

Welcome to the 20th St Andrew's Anglican College Swimming / Water Polo / Relay Carnival, 2025. We will again run with the new format that includes individual events, relays and House Water Polo operating concurrently throughout the day that truly encourages participation.

Our aim is to promote activities within the school in safe, competitive and fun filled environment and it is wonderful to see so many students aiming to do their best for themselves, their House and their College. Many students are competing in lots of events and although there can only be one winner in a race, it is important that all students are made to feel valued and supported as they try to do their best.

Participation is the key to our enjoyment of sport and I hope that the Houses go out of their way to have fun as they compete against each other. I encourage all swimmers to treat all teammates and opponents as you would wish to be treated yourself and hope that the students also learn to value honest effort, skilled performance and improvement.

Thank you to all the teachers and support staff for their invaluable support to make this carnival a great success.

Steve Robson (Director of Sport)
