Week 8

Wow, only 2 weeks to go!

We have decided to trial running a fortnightly newsletter for Primary. The school newsletter now contains a separate section for Primary where the Primary newsletter will go every other week. This is to align with other campuses.

MATHS

Last week we did some measuring in Maths. To tie in with the book, Trees, we planted some seeds (avocado, broad beans, chives, parsley and sunflowers), that we are going to watch grow and measure the height of. The year 5/6s got to go to the Kitchen to make some guacamole with the left over avocados and practise their weighing skills. It tasted delicious!

The Year 3 and 5s took NAPLAN in their stride. The one good thing about NAPLAN apparently, is the Year 6s and 4s heading up to the Secondary LC to do work!!

Parent Teacher Interviews

Please book in for parent - teacher interviews. Once you have made a booking, please e-mail me to let me know if you would like it online or in person. We also encourage your child to come along and take part in the interview.

Primary Athletics Day

Tuesday 24th March

Please make sure that you have read all the information supplied via e-mail for the event. The children are really excited and we have managed to get a little practise in this week. Unfortunately with swimming scheduled as our PE activity, we haven't had as much time to refine our skills as other schools, but judging from what I've seen, we have some great potential on the Athlete front!

Remember: House shirts, water, lunch and hats
Arrive at: University of Sunshine Coast Athletics track at 8.30am
Presentations at 1pm.

Maths Topics

Next week we look at place value and, in Week 10, we are looking at multiplication and division - let's practise those tables at home!!

Bucket Drumming with Mrs Eland is great fun (if a little noisy!!) Every Monday, Primary have choir, which everyone loves. This term has seen us singing Frere Jaques and learning some drumming patterns.

Notices

Week 9 (23rd March)

Tuesday: Athletics Carnival @ Sippy Downs

Wednesday: Parent Teacher Interviews 2-5pm

Thursday: Pupil free day. Parent Teacher Interviews 8-4pm

Mon 23rd	Tues 24th	Wed 25th	Thurs 26th	Fri 27th
Formal	House shirts	Formal	Formal	Formal
	Athletics			

Mon 30th	Tues 31st	Wed 1st	Thurs 2nd	Fri 3rd
Formal	PE shirts	Formal	Formal	End Of Term!
	Swimming			

Homework

Reading:

The students are encouraged to read every night and for 3 reading nights recorded in their student planner, they will receive a House Point.

Lexia/ Power Up is now available for use at home. The children have their logins in their diaries.

<https://www.lexiapowerup.com/?SiteID=3964-1143-1596-4558>

Maths: Week 4 is fractions and decimals week!!

Continue to practise basic facts and times tables when you can. I will organise some more formal practise sheets for the following newsletters.

We have our Matific logins. These are in the children's diary.
